Notes: (1) Events listed in bold will be of general interest to all geotechnical graduate students and faculty, and we look forward to everyone participating.

(2) The CGPR Lecture Program will take place on the morning of March 24 in the Alumni Assembly Hall at The Inn at Virginia Tech and Skelton Conference Center. The lecture program will be followed by lunch in one of the Latham Ballrooms.

(3) Kord's presentation will take place in Patton 12. The subject matter is different from Kord's presentation at the Schnabel Lecture last fall. All registered seminar students are expected to attend, and continuing students who may or may not have seen Kord's "Geotechnical Careers" presentation in the past are also welcome to attend.
