

TABLE OF CONTENTS

LIST OF FIGURES	ii
CHAPTER 1. INTRODUCTION	1
Karst Characteristics and Features.....	1
Formation of Karst Terrain	1
Distribution of Karst.....	2
New England States	3
Appalachian Highlands.....	3
Appalachian Plateau Province.....	5
Southeastern United States.....	8
Ozark Plateau Province.....	8
Ohio, Indiana, and Western Kentucky.....	9
Northern Midwest	9
Central Plains	9
Oklahoma and Texas	9
New Mexico and Arizona.....	9
Montana, Idaho and Wyoming.....	9
Additional Sources of Information on Karst.....	10
National Karst Map Project.....	10
Karst Information Portal	11
Especially Valuable Sources of Information	11
CHAPTER 2. SITE INVESTIGATION IN KARST TERRAIN.....	12
Preliminary Investigation – Review of Information, Maps, Topography, and Aerial Photos	12
Drilling and Sampling	12
Geophysical Surveys	13
CHAPTER 3. PROBLEMS AND RISKS ASSOCIATED WITH KARST TERRAIN	15
Geologic Risk Factors	15
Risks Associated with Site Development.....	15
CHAPTER 4. MANAGEMENT OF GROUNDWATER AND SURFACE WATER	17
Maintaining Hydrology.....	17
Storm Water Management.....	17
Dewaterin	17
CHAPTER 5. TREATMENT TECHNIQUES	18
Sinkhole Mitigation.....	18
Geogrid	21
CHAPTER 6. FOUNDATION SYSTEMS.....	22
Shallow Foundations.....	22
Shallow Footings on Soil.....	22
Low-Mobility Grouting	23
Shallow Footings on Rock.....	24
Deep Foundations.....	24
Drilled Shafts.....	24
Micropile.....	25
Driven Piles	26
ACKNOWLEDGEMENT	27
REFERENCES	28
ADDITIONAL REFERENCES	29
